Bankruptcy filings through three quarters top 460K

Whether the comparison is nine months or September alone, the year-over-year trend points the same way

BANKRUPTCY COURT

Bankruptcy filings are continuing to climb. Whether the comparison covers the first three quarters of the year or September on its own, the year-over-year figures show nearly the same upward trend, according to Epiq AACER data.

ACERTUS

No code. No car.

ACERTified verifies driver identity at the pickup stage of vehicle transport. Your designated release agent and the assigned driver confirm a text code two ways; if it matches, the system greenlights release and both sides get a digital confirmation. A first-of-its-kind safeguard against pickup-stage fraud, from the largest automotive logistics platform in North America.
